Because of healthy reason Martin Heindl was not at the worlds. The replacement is Rudolf Siska. He ran along with Meinhard Schröder the AGM.

Entry forms should be sent by the country representative – this should stand on a entry form – because otherwise it does not happen.

- 1) (Germany) Uniform rules for the naming of the referee to international championships
 - a) the chairmen should manage the invitation the payment
 - b) basis of payment are the specifications from the AGM in Rybnik
 - c) for the payment of the referees the chairmen have to make an agreement with the organizers – this agreement should have a binding status
 - d) the duties of the referee chairmen should be clearly defined in the WUAP statute
 - e) as part of becoming a national referee they should make themselves available for championships in their home country
 - f) as part of becoming a national referee they should make themselves available for international championships in other countries
 - g) At this point the name Meinhard Schröder was mentioned for this job
 - h) Payment should be arranged for the referee chairmen – because this job connected a presence with all international championships due the substantial cost that may be incurred because of his/her presence at all international championships

yes / ~~no~~ (A resolution for the payment should be created. Also the possibility should be checked if it is supportive for the federation.)

- 2) (Slovakia) Competitor is responsible for announcing an opening attempt. if the opening attempt of the competitor in open or submaster category is lower than the minimal limit weight and the competitor is allowed to do this attempt, this kind of attempt is going to be undone. No substitute attempt is going to be given to competitor. In case that after the event or the competition is recognized that the competitor did attempt that was less than the minimal limit weight, competitor is going to be disqualified subsequently
